### Professional Experience

#### TEACHING EXPERIENCE

I have taught a number of different courses in a variety of different settings. There are courses for graduate, postgraduate and Ph.D-students. The list of courses is as follows:

- Organization and Management
- Business Economics
- Business Economics of the European Integration
- Corporate Strategy and Sustainability
- Global Corporate Strategies
- Entrepreneurship
- Corporate Strategy and Sustainability (in English)
- Small Business Management (in English)

#### PROFESSIONAL EXPERIENCE

After getting my PhD degree I was the member of the PhD Board 23 times, 8 times I was the leader or member of the Habilitation Board, and one time I took part in the qualification procedure of the Doctor of Sciences Board.

Since 1976 I have been the leader or participant of sixty research and development projects at the university and its business partners. The major areas are the followings:

- Cost analysis
- Business Process Reengineering
- Planning of Corporate Strategy
- Business Development and Consulting
- Corporate Social Responsibility
- Sustainability – Environmental Consciousness – Strategic Management
